Three meetings were held in 2009 (18-19 March, 25-26 June and 5-6 November 2009).<sup>3</sup> At these meetings, the Committee's attention was drawn to new or revised statements on implementation and administration of the Agreement, submitted under Article 15.2. In 2009, one Member submitted a new statement under Article 15.2, while four issued revisions to existing statements.<sup>4</sup>

4. Seventy-five specific trade concerns, forty seven of which were new concerns, were brought to the attention of the Committee with regard to the potential adverse trade effects of the measures, or possible inconsistency with the Agreement.<sup>5</sup>

5. During the review period, the Committee continued the exchange of experiences on issues arising from the Fourth Triennial Review of the Operation and Implementation of the Agreement under Article 15.4 (G/TBT/19), namely: good regulatory practice, conformity assessment procedures, transparency, technical assistance and special and differential treatment.

6. On 16-17 March 2009, the TBT Committee held a Workshop on the Role of International Standards in Economic Development.<sup>6</sup> The Workshop included the following sessions: the economics of standardization, case studies on the use of international standards, efforts to build capacity for standardization in developing countries, and the identification of key challenges.

7. At its meeting on 18-19 March 2009, the Committee adopted its report of the Fourteenth Annual Review of the Implementation and Operation of the TBT Agreement under Article 15.3 (G/TBT/25). At the same meeting, the Committee carried out the Fourteenth Annual Review of the Code of Good Practice for the Preparation, Adoption and Application of Standards. This work was based on the following background documents: a list of standardizing bodies that have accepted the Code in the period under review (G/TBT/CS/1/Add.15), a list of standardizing bodies that have accepted the Code since 1 January 1995 (G/TBT/CS/2/Rev.16) and the Fourteenth Edition of the WTO TBT Standards Code Directory prepared by the ISO/IEC Information Centre.

8. As mandated under Article 15.4 of the TBT Agreement, the Committee adopted its Fifth Triennial Review Report (G/TBT/26) at the 5-6 November TBT Committee meeting.<sup>7</sup> The Report sets out substantive work in the following five areas: good regulatory practice, conformity assessment procedures, standards, transparency, technical assistance, and the operation of the Committee.

9. Also at its 5-6 November 2009 meeting, the Committee carried out the Eighth Annual Transitional Review mandated in the Protocol of Accession of the People's Republic of China (G/TBT/27).

Figure 3 shows the average time allowed for comments since 1995.

<sup>11</sup> 702 notifications referred to two or more objectives.

<sup>12</sup> G/TBT/1/Rev.9, page 18.

**Figure 3: Average Number of Days Allowed for Comments since 1995**

(ii) *Notifications under Article 10.7*

14. In 2009, no new notifications were made under Article 10.7 regarding agreements on issues related to technical regulations, standards or conformity assessment procedures. Since entry into force of the TBT Agreement, Members have submitted 125 notifications under Article 10.7 along with 6 corrigenda to these.

(iii) *Notifications under the Code of Good Practice*

15. In 2009, five standardizing bodies from five Members notified their acceptance of the Code of Good Practice (Viet Nam, Namibia, Former Yugoslav Republic of Macedonia, Cyprus, and Cameroon).<sup>13</sup> Since the entry into force of the Agreement and up until December 2009, 162 standardizing bodies from 122 Members have adhered to the Code.<sup>14</sup> Document G/TBT/CS/2/Rev.16 contains the list, by Member, of standardizing bodies that have accepted the Code since 1 January 1995 up until January 2010. The ISO/IEC Information Centre has prepared the Sixteenth Edition of the WTO TBT Standards Code Directory which lists all standardizing bodies that have notified their acceptance of the Code together with the addresses of these standardizing bodies and information related to the availability of their work programmes.

(iv) *Means of access to additional information relevant to transparency*

16. The following is a list of sources where relevant information can be found:

- (a) Information on publications used to announce that work is proceeding on draft technical regulations and conformity assessment procedures under Articles 2.9.1 and 5.6.1 of the Agreement, and publications in which the final texts are published under

<sup>13</sup> G/TBT/CS/N/175-179.

<sup>14</sup> Notifications of acceptance of the Code by standardizing bodies of Members are contained in documents G/TBT/CS/N/1-179. A list of standardizing bodies having accepted the Code of Good Practice in 2009 is contained in document G/TBT/CS/1/Add.15. In addition, standardizing bodies from eight WTO observers - Algeria (2003), Azerbaijan (2009), Belarus (2001), Bosnia and Herzegovina (1997), Kazakhstan (2006), Lebanon (2008), Libyan Arab Jamahiriya (2009), Montenegro (2007), Serbia (2005) and Ukraine (1996) - have already notified to the ISO/IEC Information Centre their acceptance of the Code of Good Practice.

Articles 2.11 and 5.8 is contained in document G/TBT/2 and addenda. A list of official publications in relation to technical regulations, conformity assessment procedures and standards is contained in document G/TBT/GEN/39/Rev.4.

- (b) The list of WTO TBT Enquiry Points under Articles 10.1 and 10.3 is contained in document G/TBT/ENQ/36. The addresses of Enquiry Points are also available on the TBT Website<sup>15</sup> and the TBT Information Management System (TBT IMS).<sup>16</sup>
- (c) In addition to the usual means of distribution, TBT notifications are also circulated through an automatic mailing list, once a week in the original language.<sup>17</sup> All TBT notifications can also be found on the TBT IMS.

(v) *Specific Trade Concerns*

17. Since its first meeting, Members have used the TBT Committee as a forum to discuss issues related to specific measures (technical regulations, standards or conformity assessment procedures) maintained by other Members. These are referred to as "specific trade concerns" and relate variously either to proposed measures notified to the TBT Committee in accordance with the notification requirements in the Agreement, or to measures currently in force. Committee meetings, or informal discussions between Members held in the margins of such meetings, afford Members opportunity to review trade concerns in a bilateral or multilateral setting and to seek further clarification. Members regularly discuss follow-up in the Committee. In 2009, 75 specific trade concerns were raised (see Annex C, below); Figure 4 illustrates the number of specific trade concerns discussed each year since 1995 (new and previously raised).<sup>18</sup>

#### (i) *Regional Workshops*

18. In 2009, the Secretariat organized two regional workshops: one in Mauritius, for English-speaking African countries<sup>20</sup>, and the other in Viet Nam for Asian Economies<sup>21</sup>.

19. The programmes of these workshops were designed to assist participating economies from the different Regions to consolidate knowledge of the principles and disciplines of the TBT Agreement. The workshops also introduced participants to work and discussions in the TBT Committee, with a view to promoting a more effective participation of the various regions in the Committee's work. The workshops also provided a forum for participants to share experiences with respect to technical barriers to trade and implementation of the Agreement. Several observer organizations in the TBT Committee, such as the Codex Alimentarius Commission, the International Electrotechnical Commission (IEC), the International Organization for Standardization (ISO), and the United Nations Industrial Development Organization (UNIDO) participated the workshops.<sup>22</sup> In addition, experts from Members were invited to share experiences with respect to the implementation of the Agreement and the work of the Committee.<sup>23</sup> Co-operation was also received from regional partners: for instance, the Southern African Development Community (SADC) Secretariat provided inputs to the workshop for English-speaking African countries held in Mauritius.

#### (ii) *National Workshops*

20. In response to requests received from individual Members, a national workshop was held in Jordan on the 24-25 February 2009. Training on the TBT Agreement was also provided in a joint SPS/TBT workshop in Oman on the 24-25 March 2009. These workshops aimed at promoting a better understanding of the rights and obligations under the TBT Agreement and at addressing issues of specific interest to these Members.
