NOTIFICATION

Addendum

The following communication, dated 6 January 2015, is being circulated at the request of the delegation of Brazil.

This addendum aims at informing that the National Institute of Metrology, Quality and Technology-INMETRO, by the Ordinance n° 562, 23 December 2014, decided to postpone within twenty (20) months the deadlines previously set by the Inmetro's Ordinance N° 10/2010 (articles 1st and 2nd) considering the delay on the electric wire and cable industry in providing the compulsory flexible cords certificates to electric irons manufacturers.

It also aims to inform that Annex C by the Ordinance 371/2009, become effective with the following: "Annex C - Specific Conditions (National Deviations) C.1 Applied to Irons (ABNT NBR NM IEC 60335-2-3).

It also revokes Ordinance N° 15/2014, published in the Official Gazette of 14 January 2014 Union, section 01, page 57, and notified under the document G/TBT/N/BRA/343/Add.1/Rev.1, after the publication of this Ordinance n° 562, in 24 December 2014.
