Committee on Technical Barriers to Trade

Original: English

## NOTIFICATION

### *Corrigendum\**

The following communication, received on 25 November 2014, is being circulated at the request of the delegation of the European Union.

Please note the following:

Item 7 should read (additional information in **bold**)

**7. Objective and rationale, including the nature of urgent problems where applicable:**

**Protection of human health and safety.**

The proposed measure concerns two health claim applications that have been assessed by the European Food Safety Authority (EFSA). For both applications, the assessments are considered to be unfavourable. Therefore these two health claims do not comply with the conditions set out in Regulation (EC) No 1924/2006, and will not be authorised for use on foods.

Item 11 should read (additional information in **bold**)

**11. Texts available from: National enquiry point [ ] or address, telephone and fax numbers and email and website addresses, if available, of other body:**

European Commission
