NOTIFICATION

Addendum

The following communication, dated 26 July 2007, is being circulated at the request of the Delegation of the Philippines.

G/TBT/N/PHL/77: Draft Philippine National Standard (DPNS) 154:2007 – Ceramic Wall and Floor Tiles - Specification

The Bureau of Product Standards, Department of Trade and Industry is amending DPNS 154:2007 – Ceramic wall and floor tiles – Specification. This draft standard was notified to WTO as G/TBT/N/PHL/77 on 7 February 2007 for comments by member countries where the final date to comments was 7 April 2007.

In light of comments received during the consultation process, the proposals were considered. ISO 13006:1998 was adopted as PNS ISO 13006:2007 – Ceramic tiles – Definitions, classifications, characteristics and marking, with minimal modifications. This supersedes PNS154:2005 and replaces DPNS 154:2007 notified as G/TBT/N/PHL/77.
